

Ryan Archambault makes a difference, rain or shine!

*Portsmouth resident, Concye Nelson receives a meal delivered by Ryan Archambault.*

Every week, no matter what the weather, Ryan gladly delivers meals as part of Meals on Wheels on Aquidneck Island. He thoroughly enjoys the entire process, from picking up the meals to hand delivering them to participants.

Ryan found this opportunity through the Looking Upwards Day Enrichment program. When he is not delivering meals, he enjoys pursuing his interests such as swimming, hiking, attending music classes and movies as well as paid work shredding documents.
